Sir,

S.N.47

With reference to your letter No.9439/106-B of 1928, dated the 10th December 1930, I have the honour to state that the only concession allowed by rule to Government servants appearing at an obligatory departmental examination is the grant of travelling allowance to and from the place of examination and the treatment of the absence from head quarters as duty. Please see Supplementary Rule 130 and Memorandum No.F.17-R-I/29, dated 23-1-1929 from the Government of India, Finance Department. I think therefore that the reimbursement of the examination fee paid by the Government servant is not permissible.

Examination in vernacular languages of Mr. F.F.C.Edmonds, Inspector of Schools, Coorg and Bangalore.

Sir,

In reply to your letter no.6165/106B of 1928, dated the 5th August, 1930, I am directed to say that the Government of India prescribe a test in Kanarese of the same standard as that fixed by the Government of Madras for their Educational officers as a compulsory examination to be passed by Mr. F.F.C.Edmonds within a period of two years from the date of his appointment as Inspector of Schools, Coorg and Bangalore, but they do not consider it desirable that he should be encouraged by a monetary reward of the amounts specified in your letter to study the relatively less important language, Urdu, to the first class interpretership standard, which is attained by very few officers even in the provinces where it is the only language of any importance. As, however, it will be in the interests of educational administration if Mr. Edmonds studies and passes a test in this language, the Government of India are of opinion that it would suffice if he were to study Urdu up to the standard of the Preliminary Examination, which corresponds to the old 'Higher Standard'. They accordingly agree to prescribe for him an optional test in Urdu of the preliminary standard and sanction the grant to him of a reward of Rs.200 (Rupees two hundred) should he pass this test within a period of four years from the date of his appointment.

I have the honour to be,
Sir,
Your most obedient servant.

Dated Bangalore, the January, 1931.

Sir,

N. 48.

I am directed to refer to your letter No.P.G.3738, dated 18th December, 1930, and to say that it has been ascertained t officers of the Madras Education Department do not pay any examination fee, but that the rule of the Madras Government is that the Compulsory Test will be opened to persons not in the service of the Madras Government on the payment of a fee of Rs.15/-. No fee would be recovered from Mr. Edmonds, if the Assigned Tract and Coorg Administrations were to hold their own examinations. It is impossible for them to do so, and the assistance of the Government of Madras has, therefore, been invoked and it seems fair that any charge for their services should be borne by the Administration asking their help. It equally seems inequitable for the Administration to require the Inspector of Schools himself to pay an examination fee which is not levied in similar circumstances from similar officers of the Madras Government (or as far as is known anywhere else).

I am, therefore, to enquire whether, in the light of the above explanation, you consider that the payment of the fee by Government can be sanctioned by the Hon'ble the Resident, or whether it is necessary to obtain the sanction of the Government of India.

I have the honour to be,
Sir,
Your most obedient servant,
